SPITALFIELDS

Spitalfields is an area in London, England and is located in the London Borough of Tower Hamlets. It is in East London and situated in the East End. Spitalfields is formed around Commercial Street and Brick Lane. It has several markets, including Spitalfields Market, the historic Old Spitalfields Market, Brick Lane Market and Petticoat Lane Market.

The area has a long attracted migrants from overseas, including the Huguenots, who had been exiled from France.

Spatial Functional Distribution

+ "fake column"

The entire space consists of a cafe, repair room, and market display space. The addition of the repair room allows street vendors to earn money by learning skills to repair their own or others' items.
