

The background of the entire page is a detailed architectural line drawing of a complex building structure. The drawing uses fine, light-colored lines to show the outlines of multiple stories, various rooflines, windows, and internal structural elements like stairs and beams. The overall style is technical and precise, typical of architectural blueprints or conceptual drawings.

The background of the image is a detailed architectural line drawing of a multi-story building. The drawing shows the structural framework, including walls, windows, doors, and a complex roof system with multiple gables and dormers. The lines are thin and light gray, creating a technical and architectural feel. The overall style is that of a professional architectural plan or section drawing.

Thank you !
