Concept

Thoughts

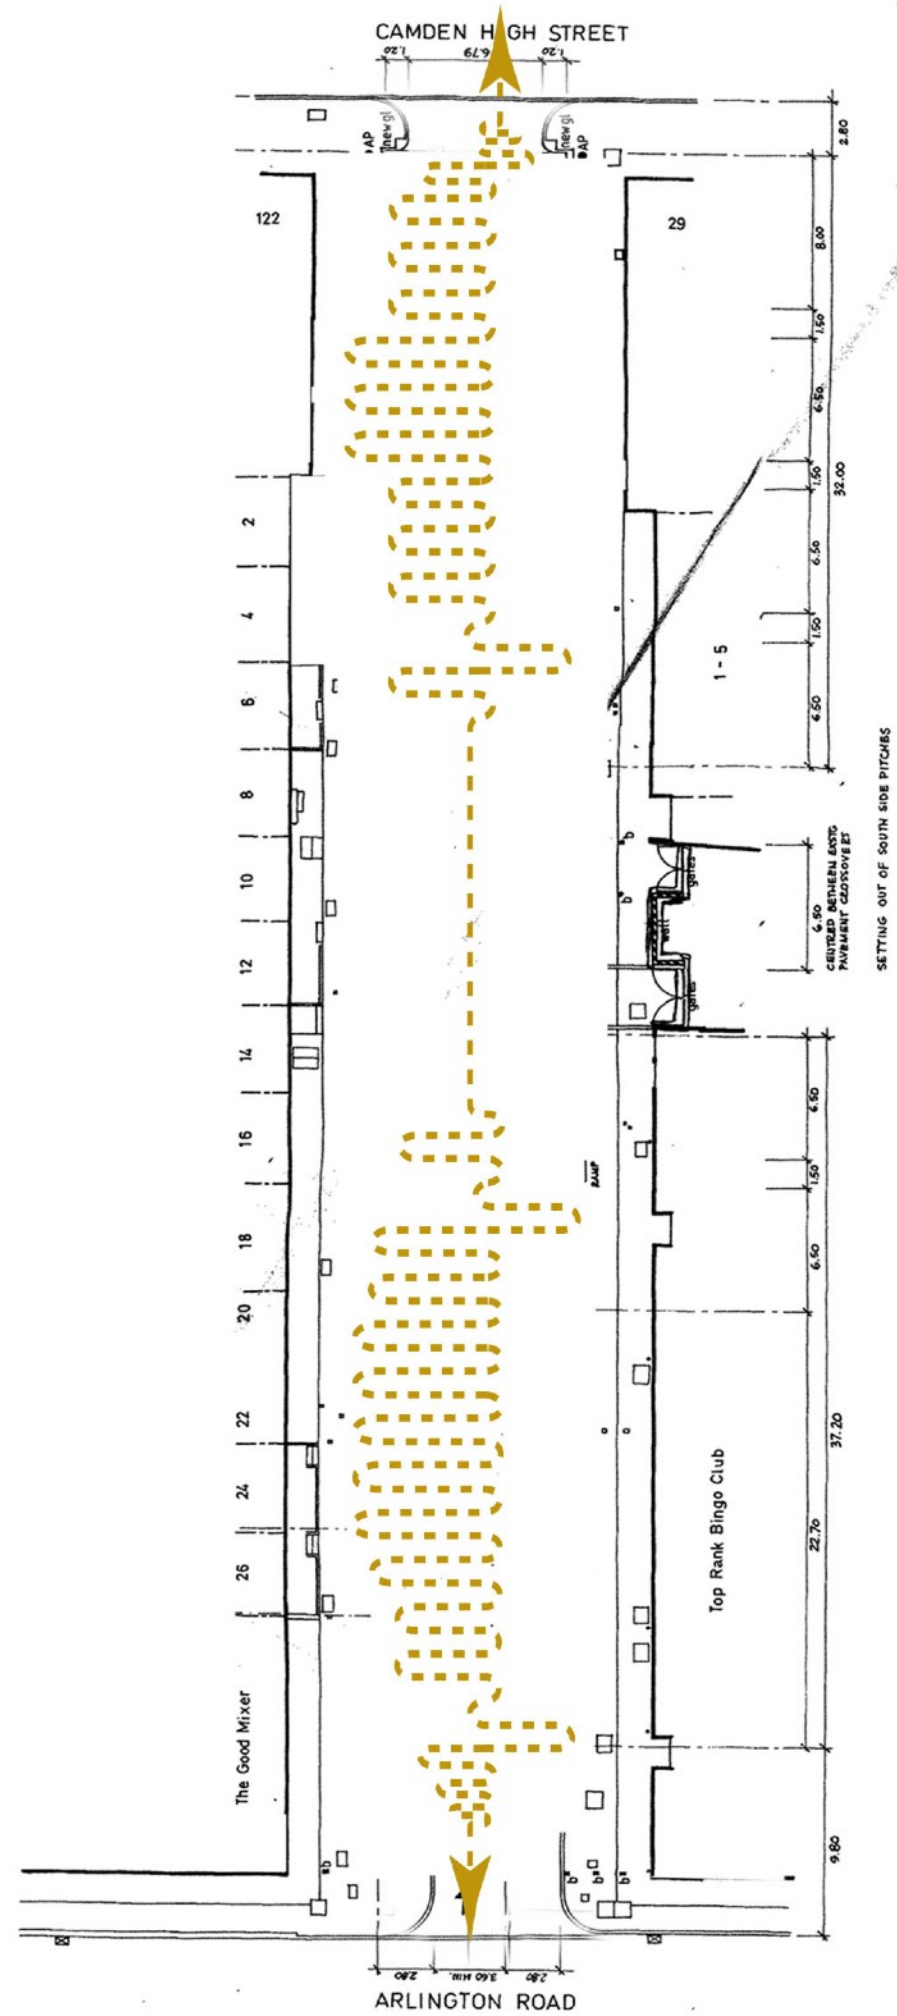

Fun Palace - Cedric Price

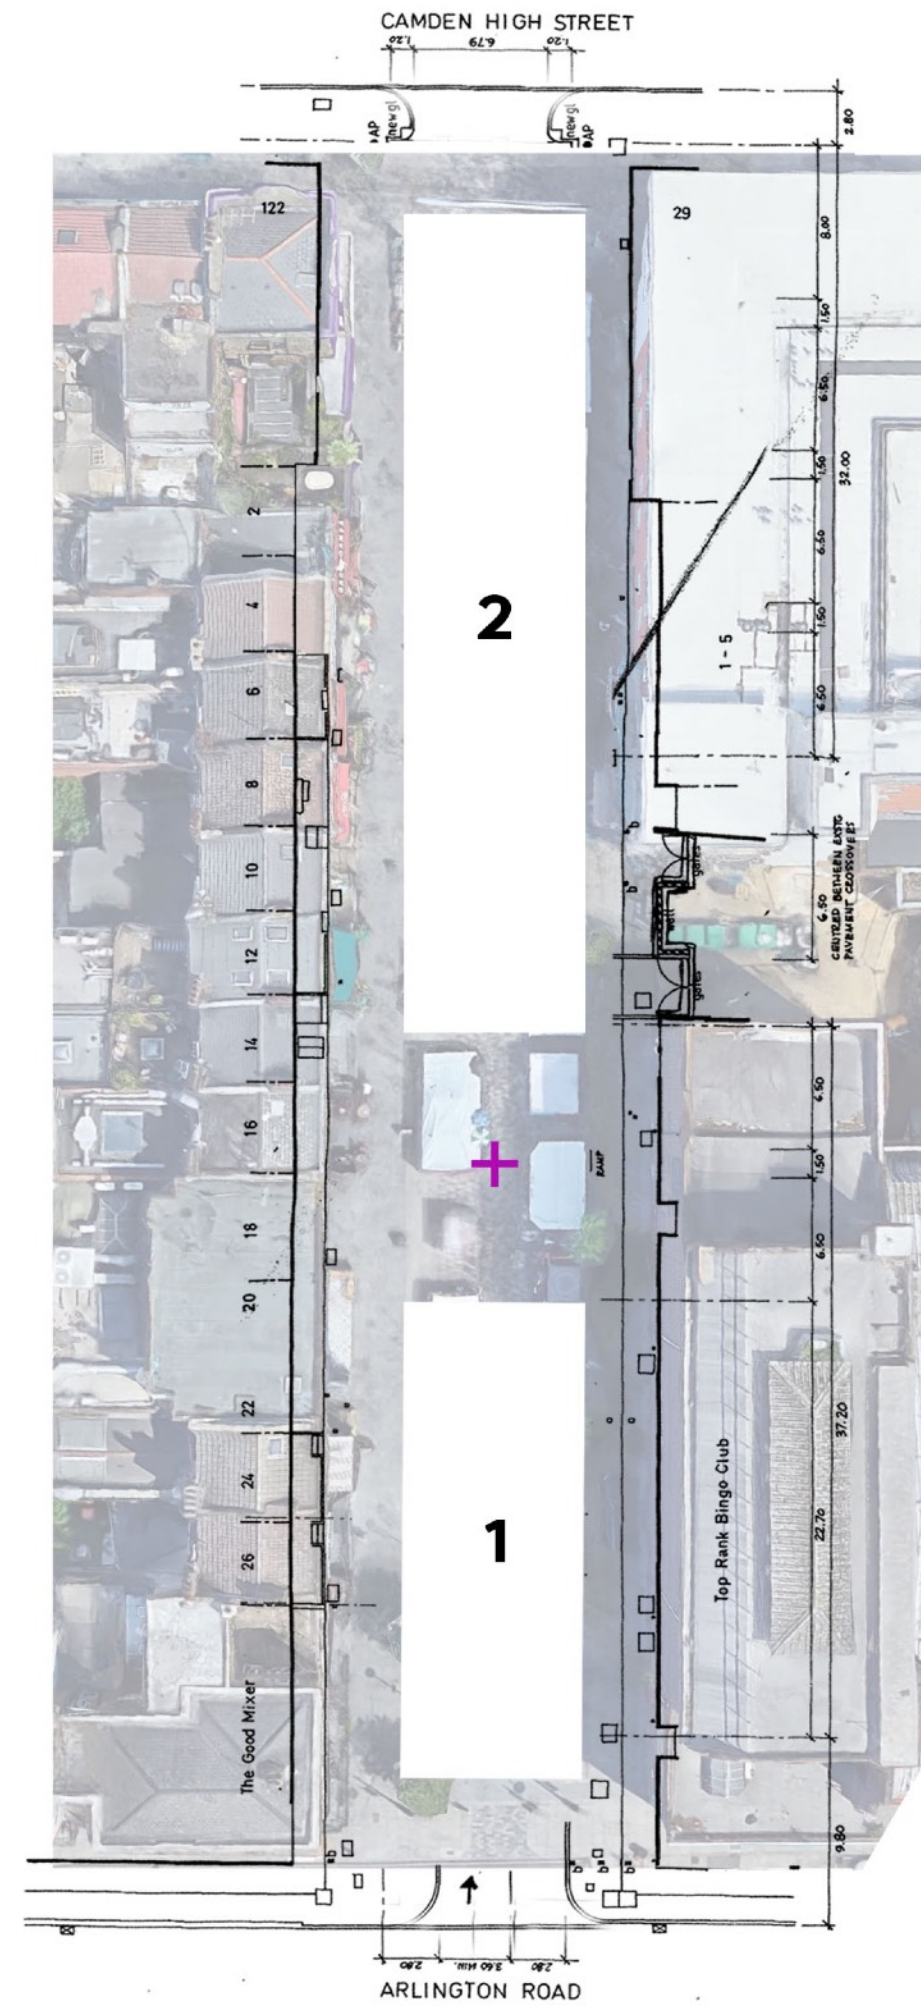

Lina Bo Bardi - Sesc Pompeia

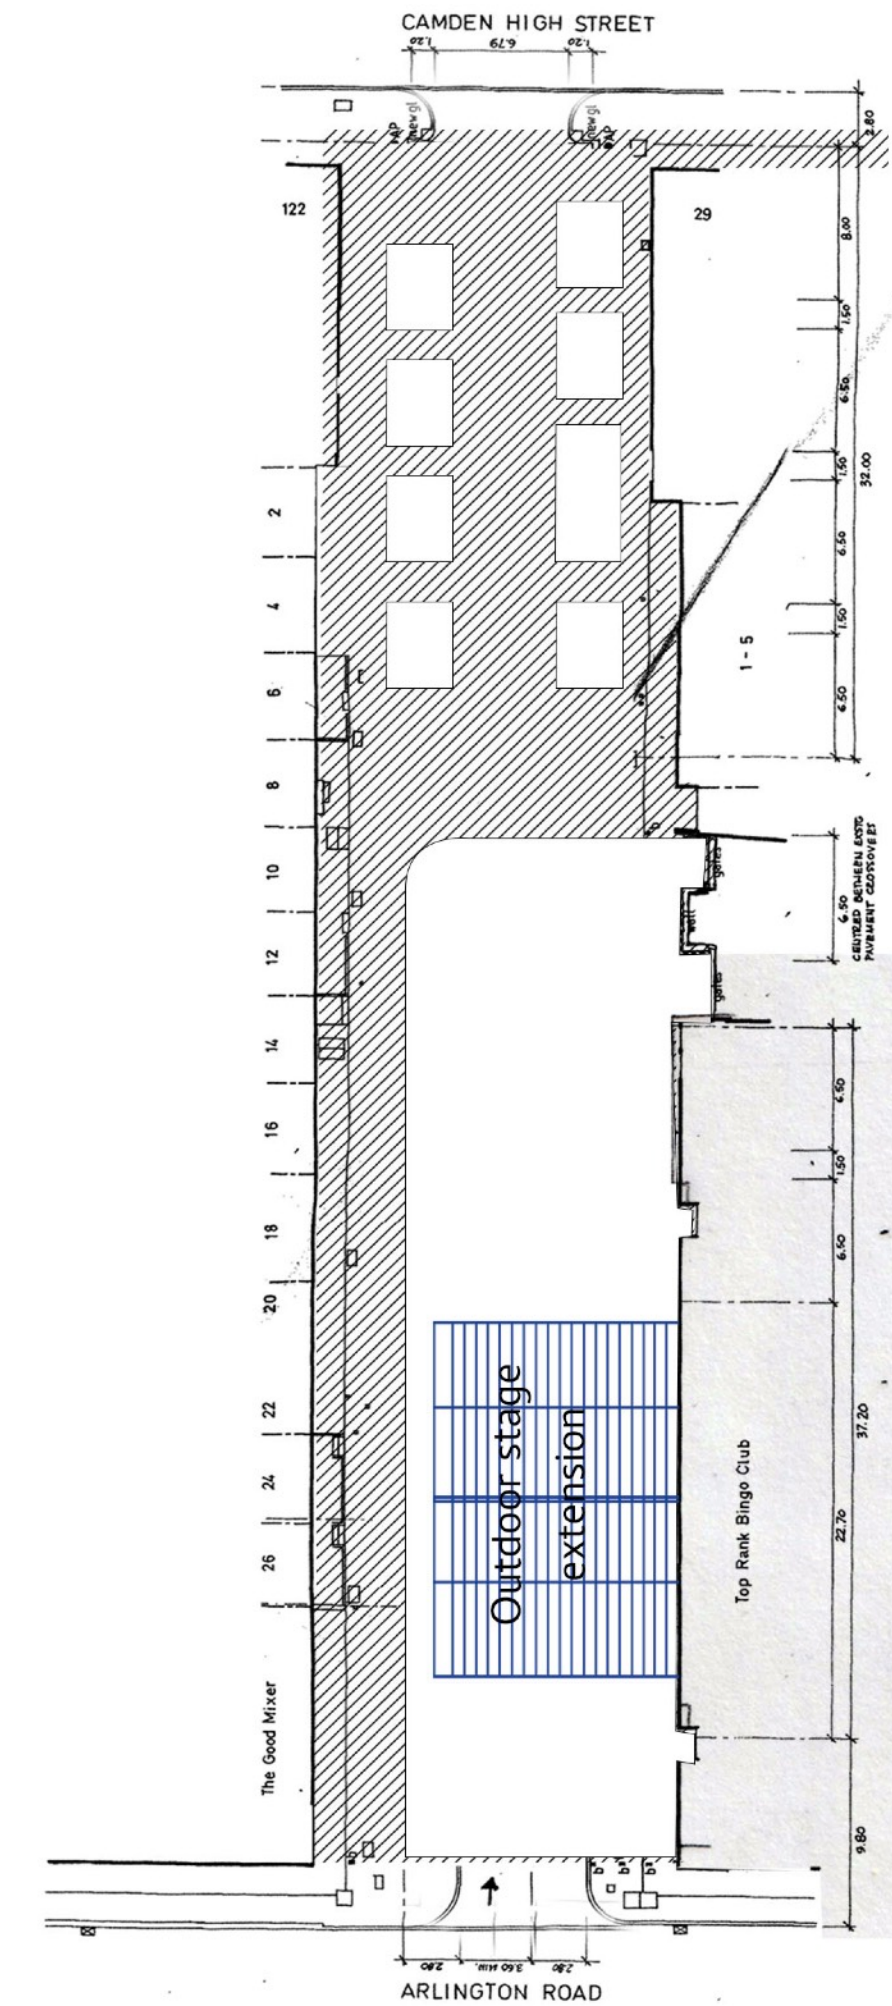

“Syncing” the residential area of Gloucester Crescent through Inverness connecting to the commercial High street.

1. A new landscape to be an extension of the Mecca bingo and surrounding restaurants ,bars and shops
2. Existing market to be retained as part of the new streetscape .

A new landscape for leisure activities to be part of everyday life and events of the residents and visitors.
